- Date: April 24, 2013

I am requesting permission for J. & L. Janitorial to provide all equipment and labor for a total of \$39,336.59. This is the same price from last year. We were satisfied with the quality of service J. & L. Janitorial provided last year. They were the only one to quote SMAC a price this year. Thank you for your consideration in the matter.

Sincerely,

Michael Van Winkle, Ed.D.  
Assistant Superintendent, SMAC

Re: Proposal for Floor Restoration

This proposal is being submitted for restoration of St. Martin Schools for janitorial services on stripping, waxing, shampooing and recoating of all tile floors to include Cafeterias. The schools include St. Martin High School, Upper, Middle, East, North, Gifted Center and Maintenance Shop.

This proposal includes J & L Janitorial providing all equipment and labor. Labor cost \$ 39,336.59. This included refurbishing the tile with two coats of Spartan Floor Sealer followed by three coat of I-Shine. Plus, Shampooing of all carpeted floors with Spartan Xtraction II and Plus 5 carpet shampoo. J & L Janitorial will move the furniture.

Please be advised that due to the length of time since the carpets have been shampooed, there will be some odor present after the initial shampoo, but plans are being made to include a product to counteract the odor also made by Spartan Chemical that will require proper ventilation in the rooms for at least a period of two full days after the carpet has been done.

J & L Janitorial's goals are performance above and beyond what is usually expected from its Clients. We pledge to continue the same quality of service that we have come to be known for. Providing top of the line in supplies, equipment, products and service that we stand behind in unison.

Should you have any questions, comments or concerns please feel free to contact me and I will be glad to assist you.

Respectfully Submitted by,
