Subject: Bid Date.

Dr. Amacker,

Please find enclosed the letter sent to all plan-holders in regard to extending the bid date. There were only two replies to this letter. The first reply was by e-mail from C. Perry Builders, Inc. stating "We are good". (Copy of e-mail is enclosed). The second reply was faxed to us from Mayer Construction, LLC requesting that the bid date be extended. (Copy of fax is enclosed).

There are a total of eight general contractors listed on the plan-holder's list for this project. Due to the percentage of replies versus general contractors on the list and the disagreement between the two replies, we do not believe that the bid date is required to be extended. Therefore, did opening will be as schedule on May 9, 2013 at 2:00 pm.

If you have any questions or disagree with the statement above, please give me a call.

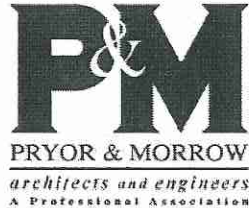

Sincerely,

J Guadalupe Arellano, Architect

Ref: REQUESTING BID EXTENDED

Remarks: Certificate of Responsibility No: 19369 MC

Dear Mr. Arellano,

We are respectfully requesting that the bid date be extended because of the impact of Addendum No. 3 & 4 on the scope of the project. We have received Addendum No. 3 & 4 for the subject project and have distributed it to our subcontractors and vendors. We have received several requests for extending the time of the bid in order to analyze and price the changes Addendum No. 3 & 4 has on the project cost. Thank you for your consideration in this matter.

Sincerely,

Doug Wood
Chief Estimator
