

**Nancy Ann Sherman  
Visual Impairment Consultant**

**Jackson County School District 2016-2017**

Visual impairment consultation services are provided to assist school districts in assuring optimal educational programming for students with varying degrees of visual impairments. This allows school districts to provide appropriate services to these students in their least restrictive environments.

**Services Provided**

1. Consultation – Meetings with parents, teachers, assistants, administrators and other educational personnel, attendance at IEP meetings, consultations may be defined as in person, by phone, and/or email providing suggestions, recommendations, research, etc.
2. Direct Services – Direct instruction to students in Braille, use of equipment, Functional Vision Assessments, Learning Media Assessments, and classroom observations
3. Indirect Services – Teacher training, assistant training, staff development, intermediary with ophthalmologists and/or optometrists, evaluation/assessment of equipment, program planning, IEP development, transitioning of students from pre-school to elementary school and from high school to community, report/documentation preparation.

**Fee Schedule**

1. \$100.00 per session for all services both direct and indirect plus \$45.00 travel fee.. For any sessions that exceed an hour, an additional fee of \$100.00 per additional hour will be charged.
2. For full day workshops - \$1000.00 plus cost of materials
3. For half day workshops - \$700.00 plus cost of materials
4. Additional workshop fee available upon request.
5. In the event of services cancelled and the visual impairment consultant is not notified by the school district, the school district will be charged for one session/hour and travel fee.

**Other Services**

1. Special Education Consultation
2. Deaf-Blind Consultation

**Billing**

1. Fees are to be paid upon documentation of services
2. Payment should be made to Nancy Ann Sherman, P.O. Box 24, Pass Christian, MS 39571
